

2024-25 After School Child Care Programs – Registration opens on March 4th

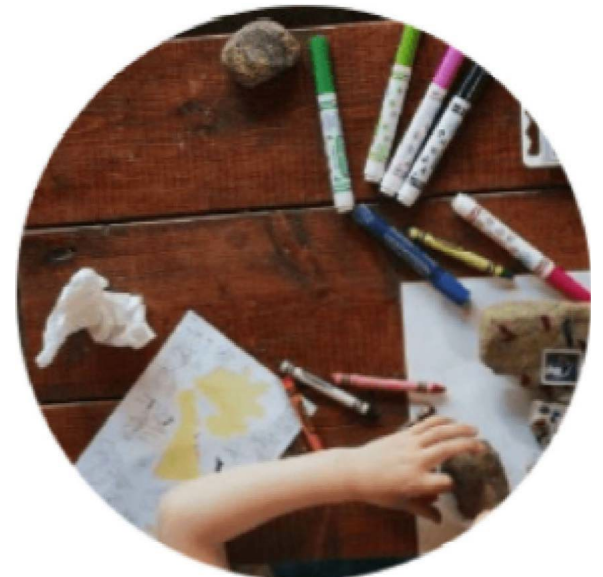

Expanded Learning Programs

We offer an Expanded Learning Program for students in TK-6th grade in all of our elementary school sites for all 180 school days from dismissal time until 6:00pm.

Early Learning Programs

We offer developmentally-based pre-academic programs for 3 and 4 year old children that promote children's cognitive, social, emotional, and physical development in preparation for elementary school.

After School Enrichment

We offer a variety of enrichment courses at all school sites for student TK-6th grade. These courses may include sports, science, visual and performance arts, coding, language learning, dance, etc.
