## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Cedarcreek Elementary School is a dedicated, compassionate community that respects every scholar's ability to learn, persevere, and succeed.

Cedarcreek is a California Gold Ribbon School that provides all learners with a well rounded elementary school education focused on a rigorous student centered academic program. An emphasis on developing academic language across disciplines prepares our students for bold explorations of 21st century learning challenges. Students participate in a hands-on Culinary Arts program designed to teach integrated math and science skills as well as healthy living choices. Opportunities for students to apply the "FOUR C's" – Critical Thinking, Communication, Collaboration and Creativity are evident in all classrooms through arts integration and project based learning.

A California Gold Award winning school, Cedarcreek implements the PBIS, Positive Behavior Intervention and Support system of teaching behavior expectations. We teach students consistent school wide behavior expectations and acknowledge it in our R.O.A.R. motto; that is Respect, Own your actions, Act safely, and Be Responsible.

Cedarcreek Elementary School offers a variety of in school intervention and enrichment opportunities for our students. Students who are at-risk receive specific instruction that will allow them to meet grade-level proficiencies. We have a variety of enrichment during class such as music, art, gardening, environmental science and cooking classes throughout the school year.

A weekly newsletter from the principal is sent via Parent Square in both English and Spanish to keep our community informed as to what is happening at Cedarcreek. Other forms of communication come from the teacher, school social worker, and front office in the form of a monthly calendar, newsletters, and phone messages. Cedarcreek also maintains a school website, Facebook and Instagram for parents to access from any computer terminal.

Our goal is to provide an educational experience that inspires each individual student to love learning, embrace challenges, build character, and cultivate creativity so that our students grow up to be kind and caring citizens.

Socioeconomically Disadvantaged	60.8%
Students with Disabilities	10.7%

## A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	10.00	96.71	353.80	94.93	228366.10	83.12

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

<b>Authorization/Assignment</b>	<b>School Number</b>	<b>School Percent</b>	<b>District Number</b>	<b>District Percent</b>	<b>State Number</b>	<b>State Percent</b>

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

<b>Authorization/Assignment</b>	<b>2020-21</b>	<b>2021-22</b>

<b>Misassignments</b>	0.00	0.00
<b>Vacant Positions</b>	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
<b>Credentialed Teachers Authorized on a Permit or Waiver</b>	0.00	0.00
<b>Local Assignment Options</b>	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## School Facility Conditions and Planned Improvements

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment in which learning can take place. Playground campus supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in fire drills, lockdown drills, and disaster drills on a regular basis to ensure preparedness in the event of an emergency. A disaster supply bin is maintained on our campus and the disaster plan is updated annually. Staff receives annual training in disaster preparedness, safety training and CPR/First Aid training.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	53	41	64	63	47	46
<b>Mathematics</b> (grades 3-8 and 11)	46	40	57	59	33	34

### 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

We are very proud of our Parent Engagement Program, which we call Passport and Partner Learning through CAFE. Throughout the school year we will offer opportunities for parents to learn and practice skills with their student/s. Coffee with the Principal gives parents an opportunity to hear directly from the principal about a variety of topics and a chance to voice any concerns and share suggestions. Parents can be involved in a variety of ways: helping in their students' classrooms, participating on our Site Council, joining our English Language Learner Advisory Committee, PTA activities and Community-Based Education Training.

## 2023-24 School Safety Plan

Cedarcreek Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Our Comprehensive School Safety Plan is updated annually. The plan includes sections on child abuse reporting, disaster preparedness, suspension and expulsion, dangerous student notification, sexual harassment, dress codes, and hate crime reporting. Fire drills are conducted monthly and earthquake and lockdown drills are held four times each year. The plan was discussed at our school site council and staff meetings in December/January and submitted to the Board of Trustees for approval in March.

Cedarcreek Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in to our volunteer management system, wear a visitor's badge during their stay, and check out at the front office upon departure.

The Comprehensive School Safety Plan developed under SB187 guidelines addresses each of the following three elements:

- School-wide Positive Behavior Support
- Safe School Environment
- Disaster Preparedness

## Professional Development

Cedarcreek Elementary School's focus in professional development is implementing a comprehensive and systematic, direct instruction model. Our instructional model is based on current brain research focusing on how children's brains learn best. Our Staff Development days are focused on enhancing our instructional delivery for students at all ability levels, including strategies that best meet the needs of our English Language Learners and at-risk students.

Cedarcreek staff members have been trained in Systematic English Language Development; new teachers will be trained by the end of the school year. In order to meet the needs of English learners during core curriculum a select group of teachers were trained in Constructing Meaning, which helps support integrated language development. Training is continuing with additional teachers participating in training each school year. This training assists our staff members at better meeting the linguistic and academic needs of all of our students.

Technology in the classrooms has also been a focus this school year. All classrooms, kindergarten through sixth grade, have access to Chromebooks or laptops in order for them to learn typing skills, use Google classroom, complete research, and engage in individual lessons on the I-Ready program. Students enrich their mathematical skills in problem solving using on-line NextGen Math. Every classroom also has the newest flat panel technology in order to deliver the most interactive, engaging lessons possible. Professional growth training is provided in the use of these technologies throughout the school year.

In addition, the district provides Teachers on Special Assignment, TOSA, who support our teachers. Our TOSA Staff includes a Physical Education/Health and Wellness teacher, technology teachers, early Literacy teachers, math teachers, and a science teacher. The TOSAs provide staff development, demonstration lessons, and individual training for teachers throughout the district.
