Pre-Employment Drug/Alcohol Testing for Safety-Sensitive Positions

Because students and staff have the right to a safe and secure campus where they are free from physical and psychological harm, the Board authorizes the testing of prospective employees in safety-sensitive positions for drug and alcohol use. Once a conditional offer of employment has been made, prospective employees in these identified positions shall undergo a pre-employment drug and alcohol screening for any substance which could impair their ability to safely and effectively perform their job functions. This screening shall be part of the employee's pre-employment physical examination.

Final selection of a job applicant for a position shall not be made until the applicant has successfully completed the screening.

All testing and medical examinations shall be conducted in accordance with state and federal law, Board policy, and administrative regulation.

EMPLOYEE DRUG TESTING

4312.41

Pre-Employment Drug/Alcohol Screening for Safety-Sensitive Positions Applicants shall sign a form consenting to the drug and alcohol testing. The consent form shall authorize release of the test results to the district. To ensure an individual's privacy, the district shall not use test results for any purpose other than those stated in Board policy and administrative regulation, shall maintain the confidentiality of screening records, and shall not disclose such records unless the applicant consents or the Superintendent or designee is presented with a court order requiring the disclosure.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

All initial screening tests shall be conducted at the district's expense. If an applicant's initial test is positive, a second test, at the district's expense, shall be administered as soon as possible to confirm the results. Upon obtaining a second positive result, the applicant may seek an independent drug and alcohol screening from a recognized medical laboratory at his/her own expense. Any applicant who fails to provide the district with a negative drug and alcohol screening report within five working days of a confirmed positive result shall be determined to have failed the screening and shall not be employed.

Failure to submit to the process or to complete the process shall preclude the applicant from being hired into the position. Disqualified applicants shall not be prohibited from applying for another job within the district.
