

ANIMALS AT SCHOOL

The Governing Board recognizes that animals can contribute to the district's instructional program by being effective teaching aids to students and by assisting individuals with disabilities to access district programs and activities. In addition, instruction related to the care and treatment of animals teaches students a sense of responsibility and promotes the humane treatment of living creatures.

ANIMALS AT SCHOOL

Before any student or employee brings an animal to school for an instructional purpose, he/she shall receive written permission from the principal or designee. The principal or designee shall give such permission only after he/she has provided written notification to all parents/guardians in the affected class, asking them to verify whether their child has any known allergies, asthma, or other health conditions that may be aggravated by the animal's presence. When a parent/guardian has provided notification that his/her child has an allergy, asthma, or health condition that may be affected by the animal, the principal shall take appropriate measures to protect the student from exposure to the animal.

All animals brought to school shall be adequately fed, effectively controlled, humanely treated, and properly housed in cages or containers suitable for the species. The teacher shall ensure that cages and containers are cleaned regularly and that waste materials are removed and disposed of in an appropriate manner.

(cf. 5141 – Health Care and Emergencies)

(cf. 5142 – Safety)

The teacher shall ensure that students receive instructions regarding the proper handling of and personal hygiene around animals.

(cf. 5141.22 – Infectious Diseases)

Use of Service Animals by Individuals with Disabilities

For an individual with a disability, service animal means any dog that is individually trained to do work or perform tasks related to the individual's disability for his/her benefit. For example, for an individual who is blind or has low vision, a service animal would mean a dog that helps him/her with vision, navigation, and other tasks; for an individual who is deaf or hard of hearing, a service animal would mean a dog that alerts him/her to the presence of people or sounds; and for an individual with psychiatric or neurological disabilities, a service animal would mean a dog that assists him/her by preventing or interrupting impulsive or destructive behaviors. (28 CFR 35.104)
