EXCELLENCE IN ELEMENTARY EDUCATION

Mission Statement:

The Saugus Union School District, in Partnership with the Home and Community, is Committed to Excellence in Elementary Education.

Vision:

Academic and Personal Success For Every Child

Core Values:

Respect- Integrity- Learning- Teamwork- Enthusiasm

Dear Saugus USD Families,

We are very excited to share this new format of our LCAP brochure with you for the 2017-2018 school year. Each school district must engage parents, educators, employees and the community to establish these plans. The plans will describe the school district's overall vision for students, annual goals and specific actions the district will take to achieve the vision and goals.

The LCAP must focus on eight areas identified as state priorities. The plan will also demonstrate how the district's budget will help achieve the goals, and assess each year how well the strategies in the plan were able to improve outcomes.

There are eight areas for which school districts, with parent and community input, must establish goals and actions. This must be done both district-wide and for each school. The areas are:

- 1. Providing all students access to fully credentialed teachers, instructional materials that align with state standards, and safe facilities.*
- 2. Implementation of California's academic standards, including the State Standards in English language arts and math, Next Generation Science Standards, English language development, history social science, visual and performing arts, health education and physical education standards.*
- 3. Parent involvement and participation, so the local community is engaged in the decision-making process and the educational programs of students.*
- 4. Improving student achievement and outcomes along multiple measures, including test scores, and English proficiency.*
- 5. Supporting student engagement, including whether students attend school or are chronically absent.*
- 6. Highlighting school climate and connectedness through a variety of factors, such as suspension and expulsion rates and other locally identified means.*
- 7. Ensuring all students have access to classes that prepare them for college and careers, regardless of what school they attend or where they live.*
- 8. Measuring other important student outcomes related to required areas of study, including physical education and the arts.*

In addition to these eight areas, a district may also identify and incorporate in its plan goals related to its own local priorities. If you have any questions, please feel free to email me at idearmas@saugusud.org. Together I look forward to achieving our goals in 2017-2018!

With Appreciation!

Dr. Isa DeArmas, Assistant Superintendent of Education Services

Educational Acronyms:

CALPADS- California Longitudinal Pupil Achievement Data System

A longitudinal data system used to maintain individual-level data including student demographics, course data, discipline, assessments, staff assignments, and other data for state and federal reporting.

CDE- California Department of Education

CDE is in charge of enforcing education law and regulations and continuing to reform and improve public school programs in California.

DELAC- District Level English Learner Advisory Committee

The DELAC, or subcommittee on English learner education, shall advise the district's local governing board (e.g., in person, by letters/reports, or through an administrator) on programs and services for English learners.

EL- English Learners

A student is classified as an English learner for LCFF purposes if he or she is identified in CALPADS as enrolled on Census Day with an English Language Acquisition Status (ELAS) of "English learner" (EL). Please see the Auditing topic for additional information regarding documentation.

FRPM- Free and Reduced –Price Meal or NSLP- National School Lunch Program

Any student who meets the federal income eligibility criteria or is deemed to be categorically eligible for FRPM under the National School Lunch Program (NSLP) will be counted as FRPM-eligible. Applications or alternative household income data collection forms must be submitted by students to their schools between July 1 and October 31 of the school year.

IEP- Individualized Education Plan

The IEP, Individualized Education Program, is a written document that's developed for each public school child who is eligible for special education. The IEP is created through a team effort and reviewed at least once a year.

LCAP- Local Control Accountability Plan

The LCAP is a tool for local educational agencies to set goals, plan actions, and leverage resources to meet those goals to improve student outcomes.

LCFF- Local Control Funding Formula

The Local Control Funding Formula (LCFF) is hallmark legislation that fundamentally changed how all local educational agencies (LEAs) in the state are funded, how they are measured for results, and the services and supports they receive to allow all students to succeed to their greatest potential.

LEA- Local Education Agency

Local education agency (LEA) (also known as local educational agency) is a commonly used synonym for a school district, an entity which operates local public primary and secondary schools in the United States.

PAC- Parent Advisory Committee

Parent Advisory Committee (PAC) to the Superintendent is comprised of parent representatives from each school. They meet with the Superintendent and other district staff on a monthly basis during the school year. Members work together to facilitate communication between and among the parents and parent organizations from different district schools and serve as a forum for sharing innovations and best practices from around the district.

PBIS- Positive Behavior Interventions & Supports

Positive Behavior Interventions and Supports (PBIS) is a proactive approach to establishing the behavioral supports and social culture and needed for all students in a school to achieve social, emotional and academic success.
