The Superintendent or designee shall establish regulations related to student conduct on buses, bus driver authority, and the suspension of riding privileges. He/she shall make these rules available to parents/guardians, students, and other interested parties. (5 CCR [14103](#))

(cf. [3452](#) - *School Bus Drivers*)

The Superintendent or designee may deny a student the privilege of using school transportation upon the student's continued disorderly conduct or his/her persistent refusal to submit to the authority of the driver. (5 CCR [14103](#))

Bus Surveillance Systems

The Board believes that the use of surveillance systems on school buses will help to deter misconduct and improve discipline, ensure the safety of students and bus drivers, and prevent vandalism. Therefore, surveillance systems may be installed and used on school buses to monitor student behavior while traveling to and from school and school activities.

(cf. [3515](#) - *Campus Security*)

The Superintendent or designee shall notify students, parents/guardians, and staff that surveillance may occur on any school bus and that the contents of a recording may be a student record and, as such, may be used in student disciplinary proceedings or referred to local law enforcement, as appropriate. In addition, a prominent notice shall be placed in each bus stating that the bus is equipped with a surveillance monitoring system.
