

DROPOUT PREVENTION

The Governing Board expects all students to remain in school until graduation in order to acquire critical knowledge and skills and be prepared for postsecondary education and/or employment. The Superintendent or designee shall identify factors that impede student success in school and shall implement integrated, systemic support and strategies that address dropout prevention and promote timely intervention and recovery.

(cf. [6146.1](#) - High School Graduation Requirements)

(cf. [6146.2](#) - Certificate of Proficiency/High School Equivalency)

(cf. [6146.5](#) - Elementary/Middle School Graduation Requirements)

The Superintendent or designee, in collaboration with community agencies and organizations as appropriate, shall develop districtwide and schoolwide strategies that support regular school attendance for all students. Dropout prevention strategies shall include efforts to provide a safe and positive learning environment that engages and motivates students, encourages students' connectedness to the schools, offers meaningful educational opportunities, and promotes student health and well-being.

DROPOUT PREVENTION

Strategies to support students at risk of dropping out of school may include, but are not limited to:

1. Meetings and/or home visits with the student and parent/guardian to identify and address barriers to the student's success and inform them of the state's compulsory education law

(cf. [6020](#) - *Parent Involvement*)

2. Individualized instruction that responds to the needs and unique learning styles of students

3. Supplemental instruction during or outside the school day that is designed to help students overcome academic deficiencies

DROPOUT PREVENTION

When a student leaves school prior to the end of a school year, or when a student successfully completed the prior school year but did not begin attending the next grade or school that he/she was expected to attend or had pre-registered to attend, the Superintendent or designee shall make efforts to determine whether the student has dropped out or has transferred to another educational setting. The Superintendent or designee may contact the student's parents/guardians to verify school enrollment and, if necessary, shall implement intervention and recovery efforts.

The Superintendent or designee shall annually report to the Board on measures of student engagement, including school attendance rates, chronic absenteeism rates, middle school and high school dropout rates, and high school graduation rates. The Board shall monitor district progress in increasing student retention in school and may require revisions in district plans and strategies as needed.
