School Description

Bridgeport Elementary is a California Gold Ribbon School, committed to supporting our students' academic and personal success through research-based instructional and social-emotional practices. Our partnership with students, parents and the school community is paramount in supporting our impact as we prepare our students for success in the 21st century.

At Bridgeport Elementary School, our goal is to provide a nurturing, well-rounded education that meets the academic, social, and physical needs of our students. As educators we constantly strive for excellence and collaborate to ensure our students experience a rigorous academic program aligned to the California State Standards that enables each and every child to achieve their fullest potential. We also encourage our students to Be their B.E.S.T. (Be Respectful, Encourage Kindness, Safety First, Try Your Hardest). We are confident that they will gain the skills, attitudes, and understanding necessary to be successful 21st Century citizens.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment where learning takes place. Students participate in character-building programs which help instill a sense of pride in our campus while reinforcing environmental responsibility. Playground supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in monthly fire and earthquake drills to ensure preparedness in the event of an emergency.

The district-operated parent-supported childcare program on campus provides reasonably priced, safe, supervised before and after school care.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	73.0	75.0	62.0	65.0	48.0	50.0
Math	62.0	63.0	51.0	53.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	7.1	27.7	54.6

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

Students with Disabilities	46	46	100.00	41.30
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

At Bridgeport, parent support and participation is high. There is a strong sense of family and community. We believe that positive interaction between staff and parents strengthen the feelings of support all children need for school success. Parents are encouraged to become active participants in their child's education. Bridgeport's PTA, School Site Council, and English Language Advisory Committee (ELAC) coordinate programs that support the school's curricular goals. Parents regularly volunteer in classrooms and assist with the school's programs. Contact the school office for information and volunteer opportunities.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Bridgeport Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Bridgeport Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

Bridgeport Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

Professional growth activities are planned annually at both the district and site level based on current needs and input received from staff. Workshops on professional effectiveness and classroom skills focus on the California State Standards and the effectiveness of explicit direct instruction. Teachers, classified staff, and administration work collaboratively during instructional planning times to meet the diverse needs of our students. Grade levels are provided additional collaborative planning time during the school day on a weekly basis. We are proud of the results we have accomplished as a staff!

Types of Services Funded

State and federal specially-funded programs at our school include: Standards-based Textbooks and Materials purchases, Gifted and Talented student instruction, English Language Learner services, and School Improvement activities.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
