School Description

Bridgeport Elementary is a California Gold Ribbon School, committed to supporting our students' academic and personal success through research-based instructional and social-emotional practices. Our partnership with students, parents and the school community is paramount in supporting our impact as we prepare our students for success in the 21st century.

At Bridgeport Elementary School, our goal is to provide a nurturing, well-rounded education that meets the academic, social, and physical needs of our students. As educators we constantly strive for excellence and collaborate to ensure our students experience a rigorous academic program aligned to the California State Standards that enables each and every child to achieve their fullest potential. We also encourage our students to Be their B.E.S.T. (Be Respectful, Encourage Kindness, Safety First, Try Your Hardest). We are confident that they will gain the skills, attitudes, and understanding necessary to be successful 21st Century citizens.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment where learning takes place. Students participate in character-building programs which help instill a sense of pride in our campus while reinforcing environmental responsibility. Playground supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in monthly fire and earthquake drills to ensure preparedness in the event of an emergency.

The district-operated parent-supported childcare program on campus provides reasonably priced, safe, supervised before and after school care.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in Science for All Students

	14-15	15-16	14-15	15-16	14-15	15-16
Science	93	93	82	79	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

White	66	66	100.0	93.9
Socioeconomically Disadvantaged	17	17	100.0	88.2

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students with Disabilities	40	40	100	35
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

-Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

-Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

We believe that positive interaction between staff and parents strengthen the feelings of support all children need for school success. Parents are encouraged to become active participants in their child's education. Bridgeport's PTA, School Site Council, and English Language Advisory Committee (ELAC) coordinate programs that support the school's curricular goals. Parents regularly volunteer in classrooms and assist with the school's programs. Contact the school office for information and volunteer opportunities.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Bridgeport Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Bridgeport Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire Drills are conducted monthly. Disaster preparedness drills are conducted quarterly and include earthquake and lock down.

Bridgeport Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals:

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.

- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

Professional growth activities are planned annually at both the district and site level based on current needs and input received from staff. Workshops on professional effectiveness and classroom skills focus on the California State Standards and the effectiveness of explicit direct instruction. Teachers,

classified staff, and administration work collaboratively during instructional planning times to meet the diverse needs of our students. Grade levels are provided additional collaborative planning time during the school day on a weekly basis. We are proud of the results we have accomplished as a staff!
