

SAUGUS UNION SCHOOL DISTRICT MEASURE EE CITIZENS OVERSIGHT COMMITTEE

ANNUAL REPORT

June 2023

On November 4, 2014, the voters residing within School Facilities Improvement District No. 2014- 1 of the Saugus Union School District (“SFID No. 2014-1”) approved the Saugus Union School District (“District”) Measure EE general obligation bond measure. The Measure EE election was called in accordance with the California Constitution and laws, including, but not limited to, the “Smaller Classes, Safer Schools, and Financial Accountability Act,” also known as “Proposition 39.”

The Saugus Union School District Measure EE Citizens’ Oversight Committee (“COC”) has approved and adopted this annual report, in accordance with Education Code Section 15280(b). The purpose of this report is to inform the public regarding expenditures of proceeds of the Measure EE general obligation bonds, for the period from July 1, 2021, to June 30, 2022 (“Reporting Period”).

All approved minutes and annual reports of the COC are available for review on the

COC website. Additional documents and reports are posted at the COC website in accordance with the guidelines and policies applicable to the COC or as otherwise directed by the COC.

III. COC findings for the Reporting Period

As required to comply with the requirements of Proposition 39, the COC must make certain findings regarding its activities and regarding the expenditure and use of Measure EE bond proceeds. The COC hereby finds and determines as follows:

1. The COC met regularly during the Reporting Period

The meetings of the COC are described in the minutes of the COC meetings posted on the COC Website. The dates of the meetings were as follows:

- September 16, 2021 (Meeting cancelled due to application extension for new members)
- November 4, 2021
- February 10, 2022
- May 5, 2022

2. The COC received and reviewed relevant reports and other information

The COC received various reports (both written and oral) relating to the expenditure of Measure EE bond funds during the Reporting Period (including, but not limited to, expenditure reports and project timelines). A complete list of the reports received and reviewed by the COC is available at the District Office for review by the public upon request and on the COC website.

Major project highlights from the year include:

- New outdoor LED marquee signs;
- New ADA door signage;
- New exterior gates;
- Outdoor backpack hooks;
- Play courts asphalt replacement;
- Interior and exterior painting;
- Roof replacements; and
- Fire alarm replacement.

3. The COC has visited District schools and project sites

The COC received various reports (both written and oral) relating to the expenditure of Measure EE bond funds during the Reporting Period (including, but not limited to, expenditure reports and project timelines).

The COC visited sites this year at the following:

Meetings held at sites:

- November 4, 2021 – Plum Canyon Elementary
- February 10, 2022 – North Park Elementary
- May 5, 2022 – Cedar creek Elementary

Site Tours:

- April 28, 2022 – Mountainview Elementary and Charles Helmers Elementary

A complete list of the reports received and reviewed by the COC is available at the District Office for review by the public upon request and on the COC website.

4. Measure EE bond funds have been expended only for the projects authorized by Measure EE

Based on the documentation and information that it has reviewed, the COC finds and determines, in accordance with Education Code Section 15278(b)(1), that the District has expended Measure EE bond funds only to pay the costs and expenses associated with the construction, acquisition, and installation of projects as are authorized by Measure EE.

5. Measure EE bond funds have not been expended for teacher or non-construction related administrator salaries or other school operating expenses that are not bond related

Based on the documentation and information that it has reviewed, the COC finds and determines, in accordance with Education Code Section 15278(b)(2), that the District has not expended Measure EE bonds funds to pay teacher or non- construction related administrator salaries or other District operating expenses.

6. COC received and reviewed the Fiscal Year 2021-2022 audit reports

The accounting firm of EideBailly prepared the annual Measure EE performance and financial audits for Fiscal Year 2021-2022 (i.e., the Reporting Period), as a single audit report (“2022 Measure EE Audit”). The 2022 Measure EE Audit is currently available for review on the COC website. The COC received and reviewed the 2022 Measure EE Audit, and took action during its February 12, 2023, meeting to file and receive the 2022 Measure EE Audit. At such meeting,
