## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Cedarcreek Elementary School is a dedicated, compassionate community that respects every scholar's ability to learn, persevere, and succeed.

Cedarcreek is a California Gold Ribbon School that provides all learners with a well rounded elementary school education focused on a rigorous student centered academic program. An emphasis on developing academic language across disciplines prepares our students for bold explorations of 21st century learning challenges. Students participate in a hands on Culinary Arts program designed to teach integrated math and science skills as well as healthy living choices. Opportunities for students to apply the "FOUR C's" – Critical Thinking, Communication, Collaboration and Creativity are evident in all classrooms through arts integration and project based learning.

A California Gold Award winning school, Cedarcreek implements the PBIS, Positive Behavior Intervention and Support system of teaching behavior expectations. We teach students consistent school wide behavior expectations and acknowledge it in our R.O.A.R. motto; that is Respect, Own your actions, Act safely, and Be Responsible.

Cedarcreek Elementary School offers a variety of in school intervention and enrichment opportunities for our students. Students who are at-risk receive specific instruction that will allow them to meet grade-level proficiencies. We have a variety of enrichment during class such as music, art, gardening, environmental science and cooking classes throughout the school year.

Newsletters from students' teachers are sent via Parent Square in both English and Spanish to keep our community informed as to what is happening at Cedarcreek. Other forms of communication come from the Principal and front office in the form of a monthly calendar, newsletters, and phone messages. Cedarcreek also maintains a school website, facebook and instagram for parents to access from any computer terminal.

Our goal is to provide an educational experience that inspires each individual student to love learning, embrace challenges, build character, and cultivate creativity so that our students grow up to be kind and caring citizens.

## About this School

### 2020-21 Student Enrollment by Grade Level

English Learners	38.2
Foster Youth	0.3
Homeless	2.4
Socioeconomically Disadvantaged	66
Students with Disabilities	8.7

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	10.0	96.7	353.8	94.9	228366.1	83.1
<b>Intern Credential Holders Properly Assigned</b>	0.0	0.0	3.6	1.0	4205.9	1.5
<b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>	0.0	0.0	6.9	1.9	11216.7	4.1

<b>Total Teaching Positions</b>	10.3	100.0	372.7	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment where learning takes place. Playground supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in monthly fire and lockdown drills to ensure preparedness in the event of an emergency. At Cedar Creek we pride ourselves in our ability to conduct our school-wide evacuation in an extremely effective and timely manner. A disaster supply bin is maintained on our campus and the disaster plan is updated regularly. Staff receives periodic training in disaster preparedness, safety training and CPR/First Aid training.

Students participate in character-building programs that help instill a sense of pride in our campus while reinforcing environmental responsibility. A school facilities request form can be obtained in the school office when organizations want to use Cedar Creek facilities.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
<b>Mathematics</b> (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

We are very proud of our Parent Engagement Program, which we call Passport and Partner Learning through CAFE. Throughout the school year we will offer opportunities for parents to learn and practice skills with their student/s. Coffee with the Principal gives parents an opportunity to hear directly from the principal about a variety of topics and a chance to voice any concerns and share suggestions. Parents can be involved in a variety of ways: helping in their students' classrooms, participating on our Site Council, joining our English Language Learner Advisory Committee, PTA activities and Community-Based Education Training.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Cedarcreek Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Bridgeport Parent/Student Handbook outlines district and school policies and procedures concerning emergency situations, playground behavior, and special services. Fire and lockdown drills are conducted monthly and earthquake drills four times each year.

Cedarcreek Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in to our Raptor System, wear a visitor's badge during their stay, and check out at the front office upon departure.

A comprehensive School Safety Plan developed under SB18 guidelines addresses each of the following four goals and was approved by Site Council during the 2021 school year.

- All students and staff members are provided a safe teaching and learning environment.
- All students are safe and secure while at school and when traveling to and from school.
- District programs and approved community resources are made available to students and parents.
- Schools provide the educational environment where students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

## Professional Development

Cedarcreek Elementary School's focus in professional development is implementing a comprehensive and systematic, direct instruction model. Our instructional model is based on current brain research focusing on how children's brains learn best. Our Staff Development days are focused on enhancing our instructional delivery for students at all ability levels, including strategies that best meet the needs of our English Language Learners and at-risk students.

Cedarcreek staff members have been trained in Systematic English Language Development; new teachers will be trained by the end of the school year. In order to meet the needs of English learners during core curriculum a select group of teachers were trained in Constructing Meaning, which helps support integrated language development. Training is continuing with additional teachers participating in training each school year. This training assists our staff members at better meeting the linguistic and academic needs of all of our students.

Technology in the classrooms has also been a focus this school year. All classrooms, kindergarten through sixth grade, have access to Chromebooks or laptops in order for them to learn typing skills, use Google classroom, complete research, and engage in individual lessons on the I-Ready program. Students enrich their mathematical skills in problem solving using on-line NextGen Math. Every classroom also has the newest flat panel technology in order to deliver the most interactive, engaging lessons possible. Professional growth training is provided in the use of these technologies throughout the school year.

In addition, the district provides Teachers on Special Assignment, TOSA, who support our teachers. Our TOSA Staff includes a Physical Education/Health and Wellness teacher, technology teachers, early Literacy teachers, math teachers, and a science teacher. The TOSAs provide staff development, demonstration lessons, and individual training for teachers throughout the district.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
