

LICENSED VOCATIONAL NURSE

Grade 12

Purpose Statement

The job of Health Care LVN (Licensed Vocational Nurse) is done for the purpose/s of providing support to the school site operations, including special education school operations, with specific responsibilities for administering first aid and dispensing prescribed medications under the direction of a health care professional; coordinating with other personnel in supporting students with special needs; documenting activities in accordance with established guidelines and regulatory requirements; and assisting health care professionals in scheduling prescribed health screenings and services.

This job reports to Site Principal

Essential Functions

- Administers emergency first aid and scheduled medication to students under the direction of health professional (e.g., nausea, shortness of breath, seizures, sprains, etc.) for the purpose of meeting immediate health care needs.
- Advises assigned administrator of observations involving students' safety, abuse, and other health related issues for the purpose of identifying problems, referring for proper treatment, and complying with legal requirements.
- Assists health professional in health-related actions (e.g., giving medications to students, etc.) for the purpose of ensuring school health services are delivered in compliance with established guidelines.
- Attends meetings, workshops, and seminars for the purpose of gathering information required to perform functions.
- Cleans work areas (e.g., sinks, counters, cots, etc.) for the purpose of maintaining a clean work environment.
- Distributes information on a variety of health subjects (e.g., lice, ringworm, drug prevention, personal hygiene, etc.) for the purpose of providing instructional materials to teachers, students, and parents.
- Maintains a variety of information (e.g., inventory of medications, office supplies, student health information, etc.) for the purpose of ensuring items availability as needed while maintaining confidentiality.
- Monitors students referred to the health room for the purpose of ensuring their safety.
- Performs a variety of health procedures (e.g., gastrostomy tube feedings, oral feedings, tracheostomy suctioning, etc.) for the purpose of supporting health services activities.
- Refers students, under the direction of a licensed health professional, requiring further medical attention for the purpose of providing information on available follow-up treatment and services.
- Reports suspected child or substance abuse to assigned site administrator for the purpose of maintaining students' personal safety, a positive learning environment, and adhering to regulatory requirements and established guidelines.

- Responds to inquiries for the purpose of sharing and conveying information necessary to the functions of the health office.

Marginal Functions

- Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.

Job Requirements: Minimum Qualifications
